

Employer Grantham College

Learning Provider Delivered by Grantham College.

Contracted Provider Grantham College

Learning Delivery Site Grantham College

Vacancy Description

You will be working with NKDC contractors on various projects and contracts in the local area.

You will attend college one day a week for theory classes and practical sessions.

Where any gaps in the contractual work arise then you would undertake relevant duties at the college construction centre.

Comply with all health and safety rules both on-site and while working at college.

Wearing of appropriate PPE at all times.

Liaising with the college regarding workplace assessments.

Maintaining a detailed workplace log of all activities that can be utilised as evidence of learning.

Able to communicate effectively between college, NKDC and contractor.

Learning Provider Grantham College

Learning Provider Description Grantham College has a reputation for delivering quality training and excellent student support. We have a number of training centres which deliver the practical & theory classes to prepare you for work-based assessments. As an apprentice you would enjoy the same benefits as a student of the college and have access to a range of services and facilities that will enhance your learning experience.

Contact Details Paul Ward Head of Work Based Learning & Apprenticeships 01476 402206
pward@grantham.ac.uk

Vacancy Type Intermediate Level Apprenticeship

Apprenticeship Framework Plumbing and Heating

This Learning Provider has achieved a sector success rate of 56% for this type of apprenticeship training.

Expected Duration 24 months

Skills Required

Accuracy and attention to detail
Excellent communication skills, both written and verbal
Team player and able to work well under supervision
Basic knowledge of tooling is desirable but not essential

Qualifications Required

A minimum of 2 GCSE's A-C, or equivalent.

Personal Qualities

Excellent time keeper
Dependable and reliable
A strong sense of personal responsibility

Important Other Information

The National Minimum Wage (NMW) rate for apprentices is £2.65 per hour. This applies to 16-18 year old apprentices and those aged over 19 in the first year of their Apprenticeship. For all other apprentices the National Minimum wage appropriate to their age applies. The Minimum Wage for Apprentices applies to time spent on the job plus time spent training.

You will need to pass the BPEC Aptitude test prior to starting the Plumbing and Heating Course. You will be working on NKDC contracts in the area of Sleaford and surrounding locality for the duration of the Apprenticeship programme. You will work at Grantham College Construction Centre if breaks in these contracts arise.

Future Prospects

Progression onto an Advanced Apprenticeship & full-time employment.
